Colbie Caillat

Oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh  
Oh oh oh  
oh oh oh

I'm not satisfied  
With pretty little things and not your time  
Forgive me if I need you  
But that's what I got used to  
Like stayin' at home on a Friday night  
Fallin' asleep outside by fire light  
You were all around me  
That's how it has to be

Baby, baby, love me, love me  
In stereo  
Wrap both arms around me  
Don't you ever let me go  
I wanna hear you say you love me in both ears  
Just like guitars on the radio  
So baby, baby, love me, love me  
In stereo, in stereo,

Oh oh oh oh oh oh

Hey I've got a plan  
Let's get out of town and not look back  
Just me and you again  
Laugh and smile and play pretend

Baby, baby, love me, love me  
In stereo  
Wrap both arms around me  
Don't you ever let me go  
I wanna hear you say you love me in both ears  
Just like guitars on the radio  
So baby, baby, love me, love me  
In stereo, in stereo,

Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh

Lets take all the good times  
And put 'em in a song  
No matter where we are we can both sing along

Baby, baby, love me, love me  
In stereo  
Wrap both arms around me  
Don't you ever let me go  
I wanna hear you say you love me in both ears  
Just like guitars on the radio

Baby, baby, love me, love me  
In stereo

Wrap both arms around me  
Don't you ever let me go  
I wanna hear you say you love me in both ears  
Just like guitars on the radio  
So baby, baby, love me, love me  
In stereo, in stereo

Oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh oh oh
