

# The Little Things

Colbie Caillat

The little things, you do to me are,  
Taking me over, I wanna show you  
That everything inside of me oh,  
Like a nervous heart beat, is crazy beating  
I'm feeling stuck here, against the pavement  
I wanna break free, I wanna make it  
Closer to your eyes, get your attention  
Before you pass me by

Back up back up take another chance  
Don't you mess up mess up I don't wanna lose you  
Wake up wake up this ain't just a thing that you  
Give up give up don't you say that I'd be  
Better off better off, sitting by myself and wondering  
Better off better off, with out you boy

The little things, you do to me are,  
Taking me over, I wanna show you  
That everything inside of me oh,  
Like a nervous heart beat, is crazy beating  
I'm feeling stuck here, against the pavement  
I wanna break free, I wanna make it  
Closer to your eyes, get your attention  
Before you pass me by

Back up back up take another chance  
Don't you mess up mess up I don't wanna lose you  
Wake up wake up this ain't just a thing that you  
Give up give up don't you say that I'd be  
Better off better off, sitting by myself and wondering  
Better off better off, with out you boy

Don't just leave  
Me, hanging on  
Don't just leave  
Me, hanging on

The little things you do to me are  
Taking me over, I wanna show you  
That everything inside of me you are,  
Like a nervous heart beat, is crazy beating  
I'm feeling stuck here, against the pavement  
I wanna break free, I wanna make it  
Closer to your eyes, get your attention  
Before you pass me by

So don't just leave, leave me hanging on

So back up back up take another chance  
Don't you mess up mess up I don't wanna lose you  
Wake up wake up this ain't just a thing that you  
Give up give up don't you say that I'd be  
Better off better off, sitting by myself wondering(so don't just leave, leave  
e me hanging on)  
Better off better off, without you boy(so don't just leave, leave me hanging  
on)

So don't just leave, leave me hanging on  
Don't just leave,  
Leave me hanging on  
Leave me hanging on  
So don't just leave, leave me hanging on
