

Starving

Colby Acuff

I've been working like a dog
Swinging hammers all day long
Oh, it brings me to my knees
I need some loving, if you please
I feel like I'm starving

Oh, I haven't seen your face
For 29 nights and 30 days
Oh, I'm hurting in a bad way
And I'm coming home to stay
I feel like I'm starving

Oh, I'm coming home
Na, na, na, na, na
Na, na, na, na, na, na, na
I'm coming home
Na, na, na, na, na
Na, na, na, na, na, na, na
I feel like I'm starving

Oh, I'm finally headed home
Going 120 down the road
If I hurry home, I'll be there by 5:00
And I'm so famished I could cry
I feel like I'm starving

Oh, I'm coming home
Na, na, na, na, na
Na, na, na, na, na, na, na
I'm coming home
Na, na, na, na, na
Na, na, na, na, na, na, na
I feel like I'm starving

Oh, I'm going insane
Driving down the interstate, nothing seems the same
Make me a bargain, outside the margin
Girl, I need something special from the market
I'm twisting like a socket, nothing can stop it
Pull into the drive, throw it in park, and
Hope you can save this ole man from starving

Oh, I'm coming home
Na, na, na, na, na
Na, na, na, na, na, na, na
I'm coming home
Na, na, na, na, na
Na, na, na, na, na, na, na
I feel like I'm starving
