

Don't Worry

Colby O'Donis

Don't worry 'bout me, don't worry 'bout me
I'ma be alright, right
I'ma be alright, I'm
I'ma be alright, I'm
Don't worry 'bout me, don't worry 'bout me
I'ma be alright, right
I'ma be alright, I'm
I'ma be alright, I'm

Let's talk 'bout all the real shit that we go through
It could be between just me and you
We don't have to tell nobody
I don't fuck with nobody anyway
They all just want something anyway
They don't give a shit about you and me
We could die tomorrow, they won't even blink
Fuck 'em anyway

You say you feel trapped, well tell me who's tapping you
Even in your darkest moments I was there for you
Even when your friends went cold, turn they backs on you
But for some reason you keep giving me attitude
I only say stupid shit when I'm mad at you
Let's cool down 'fore we do something we can't undo
I don't wanna be that guy who keeps hurting
So for now, all I wanna say is

Don't worry 'bout me, don't worry 'bout me
I'ma be alright, right
I'ma be alright, I'm
I'ma be alright, I'm
Don't worry 'bout me, don't worry 'bout me
I'ma be alright, right
I'ma be alright, I'm
I'ma be alright, I'm

And show you, I'll never try to control you
Unless you say you want me to, you know what I mean
But I won't beg you to stay if you tryna leave
And can you, can you tell me, who, yeah
Do all the crazy that we do?

You say you feel trapped, well tell me who's tapping you
Even in your darkest moments I was there for you
Even when your friends went cold, turn they backs on you
But for some reason you keep giving me attitude
I only say stupid shit when I'm mad at you
Let's cool down 'fore we do something we can't undo
I don't wanna be that guy who keeps hurting
So for now, all I wanna say is

Don't worry 'bout me, don't worry 'bout me
I'ma be alright, right
I'ma be alright, I'm
I'ma be alright, I'm
Don't worry 'bout me, don't worry 'bout me
I'ma be alright, right

I'ma be alright, I'm
I'ma be alright, I'm

I'ma be alright, be alright, be alright, be alright
