

# The Wicked Side of Me

Cold Driven

Cutting away  
Sever the honesty and all the ties that bind  
Cutting away  
Suffer the consequence of all the times I've lied

Do you follow the hollow  
When you feel like you're all alone  
So disconnected  
So follow the hollow

I'm so addicted now  
To the world within  
Now you see the wicked side of me  
I've had enough  
But it pulls me in  
Now you see the wicked side of me, side of me

Some kind of rage  
Has taken a hold of me and I cannot be saved  
Some kind of rage  
I don't think I can change myself destructive ways

Do you follow the hollow  
When you feel like you're all alone  
So disconnected  
So follow the hollow

I'm so addicted now  
To the world within  
Now you see the wicked side of me  
I've had enough  
But it pulls me in  
Now you see the wicked side of me, side of me

The wicked side of me  
(Me, me, me)  
The wicked side of me  
(Me, me, me)

(Oh)

In the end it's all the same  
We're all alone anyways  
In the end it's all the same  
We're all alone anyways

Do you follow the hollow  
When you feel like you're all alone  
So disconnected  
So follow the hollow

I'm so addicted now  
To the world within  
Now you see the wicked side of me  
I've had enough  
But it pulls me in  
Now you see the wicked side of me

Me

Me

(So now you see)

The wicked side of me

The wicked side of me
