

# No One

Cold

Well I can't ever really believe  
No one was sent to get me  
And I feel like I'm being erased  
No one got left here

I'm all alone  
No one was sent to get me  
I'm all alone  
No one got left here

But I'm fine  
No one got left here  
Well I'm fine  
No one got left here

I can't even breathe when I see  
The pictures sent without you  
I feel like i've been erased  
No one got left here

I'm all alone  
No one was sent to get me  
I'm all alone  
No one got left here

But I'm fine  
No one got left here  
Well I'm fine  
No one got left here

But I'm fine  
No one got left here  
Well I'm fine  
No one got left

I'm so sick of this terrible instinct  
It's so hard now  
Just to find you  
I'm so sick of this terrible instinct  
It's so hard now  
Just to find you

So sick of the terrible instinct  
I can only find you  
So sick of the terrible instinct  
I can only find you

But I'm fine  
No one got left here  
Well I'm fine  
No one got left here

But I'm fine  
No one got left here  
Well I'm fine  
Nobody got left
