

# Billie Jean

Coldplay

she was more like a beauty queen from a movie scene  
i said don't mind, but what do you mean i am the one  
who will dance on the floor in the round

she said i am the one who will dance on the floor in  
the round

2nd verse

she told me her name was billie jean, as she caused a  
scene

then every head turned with eyes that dreamed of being  
the one

who will dance on the floor in the round

people always told me be careful of what you do  
and don't go around breaking young girls' hearts  
and mother always told me be careful of who you love  
and be careful of what you do 'cause the lie becomes  
the truth

billie jean is not my lover  
she's just a girl who claims that i am the one  
but the kid is not my son  
she says i am the one, but the kid is not my son

for forty days and forty nights  
the law was on her side  
but who can stand when she's in demand  
her schemes and plans  
'cause we danced on the floor in the round  
so take my strong advice, just remember to always think  
twice  
(do think twice)

she told my baby that;`s a threat  
as she looked at me  
then showed a photo of a baby cries  
eyes would like mine  
go on dance on the floor in the round, baby

people always told me be careful of what you do  
and don't go around breaking young girls' hearts  
she came and stood right by me  
then the smell of sweet perfume  
this happened much too soon  
she called me to her room

billie jean is not my lover  
she's just a girl who claims that i am the one  
but the kid is not my son  
billie jean is not my lover  
she's just a girl who claims that i am the one  
but the kid is not my son  
she says i am the one, but the kid is not my son  
she says i am the one, but the kid is not my son  
billie jean is not my lover  
she's just a girl who claims that i am the one  
but the kid is not my son  
she says i am the one, but the kid is not my son

she says i am the one, she says he is my son  
she says i am the one  
billie jean is not my lover  
billie jean is not my lover
