

Beautiful

Coldplay

All I know
Is I love you so

I hope that you get everything you want in this beautiful life
Change for your pocket, someone for the night
I hope they name you a rocket and take you for a ride for free
And if they tell you you're nothin', maybe you'd explain
To me, you're the summer sun after the rain
And you were there when I needed
Somethin' for the pain, you see

When you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me
I'm nowhere else
I'm on top of the world, man
On top of the world

And it's so beautiful
And you're so beautiful
And it's so beautiful

I hope that you get everything you want in this beautiful life
Watermelon moon, so happy you're alive
And I feel like a river, finally arrived at sea

Cause when you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me
I know I'll be
On top of the world, man
On top of the world

And it's so beautiful
And you're so beautiful
And it's so beautiful

Cause when you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me
When you love me, love me, love me
I know I'll be
On top of the world, man
On top of the world

And it's so beautiful
And you're so beautiful
And it's so beautiful
And you're so beautiful
And it's so beautiful
