

## Bright New Dawn

Coldplay

Hold me tight dont let go  
Forever be yours in this bright new dawn  
Open up your eyes for a big new suprise  
Listen to me now in the bright new dawn  
Fixing whats wrong seeing the people who dont belong we will tr  
y to hide are dispise but it always comes out on the inside.  
Corus: Nobody said it was easy together we can help change the  
world. come with me now on this island of love running away fro  
m all sivilization Open your eyes to a bright new dawn

Over all we have done good.

My heart is beating ever so quickly Dont shade your eyes from t  
he bright new dawn
