

# GOOD FEELINGS

Coldplay

Good good  
Oh oh  
All those good good  
Feelings  
All those good good  
Oh oh  
All those good good  
Feelings

We fell in love in the summer  
I remember, baby  
We saw the sunshine too  
And we were born for each other  
Just remember, baby  
Whatever we go through

All the good feelings  
For one another  
As we danced to the radio  
All the good good feelings we have for each other  
Don't ever ever let them go

All the good good feelings  
Don't ever let, don't ever let go  
Don't ever let them go  
Oh  
Don't ever let, don't ever let go  
All those good good feelings  
Don't ever let, don't ever let go  
Don't ever forget those good feelings  
Don't ever let them go  
All those good good

We fell in love in the summer  
I remember, baby  
We fell under the moon  
Oh  
We were born for each other  
I remember when I'm millions of miles from you

All the good feelings  
For one another  
As we danced to the radio  
All the good good feelings we have for each other  
Don't ever ever let them go (Don't ever ever let them go)

All the good good feelings  
Don't ever let, don't ever let go  
Don't ever let them go  
Oh  
Don't ever let, don't ever let go  
All those good good feelings  
Don't ever let, don't ever let go  
Don't ever forget those good feelings  
Don't ever let them go  
All the good good  
Feelings

All the good good feelings  
Don't ever let, don't ever let go  
Don't ever let them go, oh
