Have Yourself a Merry Little Christmas

Coldplay

Have yourself a merry little Christmas Let your heart be light From now on, our troubles will be out of sight

Have yourself a merry little Christmas Make the Yuletide gay From now on, our troubles will be far away

Here we are, as in olden days Happy golden days of your Faithful friends who are dear to us Gather near to us Once more

Through the years, we all will be together If the fates allow
Hang a shining star upon the highest bough
And have yourself a merry little Christmas now
