

Higher Power

Coldplay

Three, two, one! Sometimes I just can't take it
Sometimes I just can't take it
And it isn't alright
I'm not going to make it
And I think my shoe's untied (Oh oh)
I'm like a broken record
I'm like a broken record and I'm not playing right
Drocer nekorb a ekil mi
Till you tell me on your heavenly phone

To hold tight (hold tight)
Come on (come on)
Come on (come on)
Oh-oh-oh-oh-oh-oh-oh
Come on (come on)
Come on (come on)
Yeah, don't let go oh-oh-oh-oh
Hold tight (hold tight)
Hold tight (hold tight)
Oh-oh-oh-oh-oh-oh-oh
It's alright, it's alright she said
I've got my hands up shaking just to let you know

That you've got a higher power
Got me singing every second, dancing every hour
Oh yeah, you've got a higher power
And you're really someone I wanna know (Oh oh)

This boy is electric (Mmm)
This boy is electric and you're sparkling like
The universe connected
And I'm buzzing night after night after night (Oh oh)
This joy is electric (Mmm)
This joy is electric and you're circuiting through
I'm so happy that I'm alive
Happy I'm alive at the same time as you

Cause you've got a higher power
Got me singing every second, dancing every hour
Oh yeah, you've got a higher power
And you're really someone I wanna know
(I wanna know, oh oh)

You've got, yeah, you've got a higher

You've got, yeah, you've got a higher
You've got, yeah, you've got a higher
You've got
Oh-oh-oh-oh-oh-oh-oh
You've got, oh, you've got a higher
You've got, yeah, you've got a higher
You've got, oh, you've got a higher
My hands up shaking just to let you know now

You've got a higher power
You've got me singing every second, dancing every hour
Oh yeah, you've got a higher power

You're once in any lifetime
I'm going a million miles an hour

When for so long I'd been down on my knees
Then your love song saved me over and over
For so long I'd been down on my knees
Till your love song floats me on, ee-on-oh-oh-oh
Oh oh
