

I got this feeling and just what it is, God only knows
I got this feeling and I think I'm seeing thunderbolts
I got this feeling that I'm turning into someone new
I got this feeling that the ceiling is for bursting through
I got this feeling and now nothing is frightening
I got this feeling I can summon up lightning
I got this feeling and just what it is, God only knows
But here it goes

Stood on a sea of pain
Let it rain, let it rain, let it rain
I'll be back on my feet again
'Cause I am a mountain

I'm really sorry for some things I said along the way
I really love you, I just didn't like myself that day
I got this feeling I can summon up lightning
I got this feeling I was falling, now I'm flying
I got this feeling, just what it is, God only knows
So here it goes

Stood on a sea of pain
Let it rain, let it rain, let it rain
I'll be back on my feet again
'Cause I am a mountain
Everyone taking aim
Let it rain, let it rain, let it rain
I'll be back on my feet again
'Cause I am a mountain

(Ah, back on my feet again)
(I am a mountain)
Everyone taking aim
Let it rain, let it rain, let it rain
My love for you will remain
'Cause I am a mountain
