

Proof

Coldplay

So I waited for you
What wouldn't I do?
Am I better off to?
Oh and I'm honest too

If I ever want proof
Oh then I'll find it in you
Oh yeah I honestly do
In you I've got proof

Light, Dark
Bright Spark
Light Dark Light
Oh yeah I waited all night
Oh who wouldn't sigh?

Yeah I waited for you
What would I do?
And if I ever want proof

Then I'll find it in you, I do
Yeah I honestly do
In you I've got proof

Bright Spark Light and
Dark Bright Spark Try.
