So you lost your trust and you never shared half no you never shared half don't break your back if you ever see this don't answer that

In a bulletproof vest with the windows all closed
I'll be doing my best
I'll see you soon
in a telescope lens
and when all you want is friends
I'll see you soon

So they came for you they came snapping at your heels they came snapping at your heels but don't break your back if you ever say this don't answer that

In a bulletproof vest with the windows all closed
I'll be doing my best
I'll see you soon
in a telescope lens
and when all you want is friends
I'll see you soon
I'll see you soon

Love
you lost your trust
love
you lost your trust
love
don't lose your trust
love
you lost your trust
