```
Es
                    Asmi
1. Sunlight, opened up my eyes
                Es
   To see for the first time
  Abm
   You'll open them up
                           Asmi
  And tonight, rivers will run dry
                 Es
  And not for the first time
   Abm
  Rivers will run
                           Asmi
2. Hundreds of years in the future
                Es
   It could be computers
             Asmi Asmi7 Es
   Looking for life on earth
  Abm
  Don't fight for the wrong side
              Es
  Say what you feel like
  Abm
   Say how you feel
R: You'll go backwards, but then
           Es Asmi
   You'll go forwards again
           В
   You'll go backwards, but then
  You'll go
                             Asmi
3. Created, then drilled and invaded
   If somebody made it
              Asmi Asmi7 Es
   Someone will mess it up
   Abm
  And you are not wrong to
  Ask who does this belong to
  Abm Abm7
  It belongs to all of us
R: /: You'll go backwards, but then
     You'll go forwards again
     You'll go backwards, but then
```

you'll go forwards :/
