

# We All Fall In Love Sometimes

Coldplay

Wise men say  
Looks like rain today  
Crackled on the speakers  
And trickled down the sleepy subway trains  
Heavy eyes could hardly hold us  
Aching legs that often told us  
It's all worth it  
We all fall in love sometimes

The full moon's bright  
Starlight filled the evening  
We wrote it and I played it  
Something's happened  
It's so strange this feeling

Naive notions that were childish  
Simple tunes that tried to hide it  
But when it comes  
We all fall in love sometimes

Did we, didn't we, should we, couldn't we  
I'm not sure 'cause sometimes we're so blind  
Struggling through the day  
When even your best friend says:  
"Don't you find  
We all fall in love sometimes?"

Wise men say  
Looks like rain today  
Crackled on the speakers  
Trickled down the sleepy subway trains  
Heavy eyes could hardly hold us  
Aching legs that often told us  
It's all worth it  
We all fall in love sometimes

We all fall in love sometimes  
We all fall in love sometimes  
We all fall in love, sometimes
