

# You Only Live Twice

Coldplay

You only live twice or so it seems  
One life for yourself and one for the rest  
And you, you drift through the years  
And life seems strange  
Till one dream appears and love is its name

And love is a stranger who'll beckon you on  
Don't think of the danger or the stranger is gone

Oh you, you only live twice or so it seems  
One life for yourself and one for your dreams

And love is a stranger who'll beckon you on  
Don't think of the danger or the stranger is gone  
Gone, gone
