

## Before I Go

coldrain

They say the good die young but I've already grown  
Still just a boy at heart in search of the unknown  
I'm still holding on, holding on for good  
Some days it feels like it's a test how far we bend  
These days I tell myself it's not over till it ends  
I'm still holding on, holding on for good

I may fail, I may fall  
I may drift away like smoke  
But you'll see my burning flames before I go  
I will break every wall  
Till I'm six feet under stone  
You'll be calling out my name before I go

Oh-oh, oh-oh  
Oh-oh, oh-oh  
Before I go

I know a memory will be all that is left  
Left of these places, faces oh I can't forget  
I'll be holding on, holding on for good

I may fail, I may fall  
I may drift away like smoke  
But you'll see my burning flames before I go  
I will break every wall  
Till I'm six feet under stone  
You'll be calling out my name before I go

Oh-oh, oh-oh  
Oh-oh, oh-oh  
Before I go

We win, we lose  
Give in, refuse  
We wait our turn  
To live, to burn  
We win, we lose  
Give in, refuse  
We wait our turn  
To live, to burn

To burn  
We win, we lose  
Give in, refuse  
Until the end

I may fail, I may fall  
I may drift away like smoke  
But you'll see my burning flames before I go  
I will break every wall  
Till I'm six feet under stone  
You'll be calling out my name before I go

Oh-oh, oh-oh  
Oh-oh, oh-oh  
Before I go

Oh-oh, oh-oh  
Oh-oh, oh-oh  
Before I go
