

Chandler

coldrain

Oh, I've been waitin' for you
Still, I can't see the shadow of you
Playing me, psycho-escape
You are a chandler
Help me, please

Chandler, chandler, chandler
Burst
Chandler, chandler, chandler

Oh, I've been waitin' for you
Still, I can't see the shadow of you
Playing me, psycho-dance
You are a chandler
Help me, please

Chandler, chandler, chandler
Crash
Chandler, chandler, chandler

Oh, I've been waitin' for you
Still, I can't see the shadow of you
Playing me, psycho-dance
You are a chandler
Love me, please

I am a chandler
I am a chandler
I am a chandler
I am a chandler
I am a chandler
I am a chandler
I am a chandler
I am a chandler
I am a chandler
I am a chandler
I am a chandler
