

# Here With You

coldrain

Fading away in darkness  
You hide yourself again  
Swallow the pain to sadness  
Running through your veins  
But I will not be just a witness  
And watch you bury everything you believe  
No I will not be the one  
The one that let's you quit

So don't run run runaway now  
And leave it all behind  
Don't run run runaway now  
And leave it all

Because if you're broken  
I'll be broken here with you  
If you're sinking  
I'll go sinking down with you  
No matter where you go  
No matter what you do  
I'll be there because you would too  
When you're happy  
I wanna be happy here with you

You can't walk with the weight of the world  
You can't talk if you're choking yourself  
You've got to know when  
To ask for help or just let go  
You're not alone

So don't run don't you runaway now  
And leave it all behind  
Don't run run runaway now  
And leave it all

Because if you're broken  
I'll be broken here with you  
If you're sinking  
I'll go sinking down with you  
No matter where you go  
No matter what you do  
I'll be there because you would too  
When you're happy  
I wanna be happy here with you

Don't run away  
Don't run away  
Don't run away

Because if you're broken  
I'll be broken here with you  
If you're sinking  
I'll go sinking down with you  
No matter where you go  
No matter what you do  
I'll be there because you would too  
When you're happy

I wanna be happy here with you
