

Bad 4 U

Coleman Hell

I got it bad for you
Thinking 'bout what I could have had with you
You could have had me too
I got it bad for you
Hurt me so good I know it's sad but true
I got it bad for you

I can make [?] I know that I'm a little bit bad for you
When I'm on the internet I'm looking at your silhouettes sad but true
[?] of the elephant in the room

I got it bad for you
I wish you had a clue
I know it's sad but true
I got it bad for you

Thanks to scent of your perfume
The text I sent, was overdue
I went again to [?]
