

Eyes Wide Open

Coleman Hell

I don't see nobody else no
All I got is you
I don't see nobody else

If I could just be honest
You know I was all in
When you told me that I'm not alone
But I have to do it on my own
We can keep the promise
To never lose our focus
And keep each other in our sights
Even when we got no light

We gave each other all our secrets
Wouldn't give them if we didn't mean it
Looking at you now I believe it
That we're dreaming, dreaming with our

Eyes wide open
We can make it through
Blind emotion
All I see is you
Never need nothing else yeah
And I couldn't do it by myself yeah
Eyes wide open
All I see is you

I don't see nobody else no
All I got is you
I don't see nobody else no
All I got is you
You

Every time you come in focus
Even if it's for a moment
I can't take my eyes off you
Yeah everything that I hold true
When time is feeling fuzzy
And it's nothing but open
Ocean that we dove into
Swimming in a sea of you

We gave each other all our secrets
Wouldn't give them if we didn't mean it
Looking at you now I believe it
That we're dreaming, dreaming with our

Eyes wide open
We can make it through
Blind emotion
All I see is you
Never need nothing else yeah
And I couldn't do it by myself yeah
Eyes wide open
All I see is you

I don't see nobody else no

All I got is you
I don't see nobody else no
All I got is you
You

I don't see nobody else no
All I got is you
I don't see nobody else no
All I got is you
You
