

## real me

Coleman Hell

The real me is always 15 minutes late  
And my weight, it fluctuates  
Depending on the way I feel  
I'm just trying to keep it real

The real me is nervous on a date  
I never learn from my mistakes  
But is that part of my appeal?  
Do you like me cause I'm real

Tell me do you feel me?  
Tell me do you feel me?  
Yeah, yeah, yeah  
Do you feel the real me?  
Do you feel the real me?  
Yeah, yeah, yeah

Tell me do you feel me?  
Tell me do you feel me?  
Yeah, yeah, yeah  
Do you feel the real me?  
Do you feel the real me?  
Yeah, yeah, yeah

Yeah, I know I look weird without a beard  
And I feel so insecure sometimes, wish I could disappear  
But because of my career all these people keep on looking  
Say my clothes are kinda funny and my teeth are kinda crooked

So I smile with my mouth closed  
Hide in my house in a housecoat  
Never going out no  
Sunshine and rainbows  
Just a storm cloud that's been following me  
I'm so down think I've got a disease

It's not easy being me, not easy being you  
Probably not easy being anybody tell the truth  
But all we really need is to be real  
For real right now

Tell me do you feel me?  
Tell me do you feel me?  
Yeah, yeah, yeah  
Do you feel the real me?  
Do you feel the real me?  
Yeah, yeah, yeah

Tell me do you feel me?  
Tell me do you feel me?  
Yeah, yeah, yeah  
Do you feel the real me?  
Do you feel the real me?  
Yeah, yeah, yeah

I don't do shit no more  
I don't do shit all day

All I do is sit at home  
Never go out no way  
I don't do shit no more  
I don't do shit all day  
All I do is sit at home  
Never go out no way

I don't do shit no more  
I don't do shit all day  
All I do is sit at home  
Never go out no way  
I don't do shit no more  
I don't do shit all day  
All I do is sit at home  
Never go out no way
