

# Summerland

Coleman Hell

I don't want to die today  
But if I do, send me up to Summerland  
I don't got no time to waste  
Heaven is a place called Summerland

I might come back as a wombat  
In my other life, I was a butterfly  
Can you hear the spirits calling?  
Oh-we-oh-we-oh-ay, oh-we-oh-we-oh

In Summerland  
In Summerland, in Summerland  
In Summerland, in Summerland  
In Summerland, in Summerland  
In Summerland, in Summerland

I don't want to die today  
I don't want to leave and never come back  
I just gotta find my way  
Looking for a place called Summerland

Triple goddess in the forest  
Can you carry my soul up to paradise?  
Shh, I think I hear their voices  
Oh-we-oh-we-oh-ay, oh-we-oh-we-oh

In Summerland  
In Summerland, in Summerland  
In Summerland, in Summerland  
In Summerland, in Summerland  
In Summerland, in Summerland  
In Summerland, in Summerland

The sinners and the saints  
They all go to Summerland  
A heaven full of second chances  
A place where everyone can start again
