Coleman Hell

Thank you guys so much, this next one's called Winona...  
One, two, three, four

Winona!  
Oh, sing it now!  
Winona!  
What's her name? Oh  
Winona!  
My little baby...  
Winona!

Well, I danced with Winona  
I kept stepping on her feet  
She was from North Dakota  
And she said, "Go and buy me a drink..."  
Brought her lime and Corona  
Then she grabbed me by my belt  
Ran her big fake nails  
Through the strands of my hair  
I was halfway there, she could tell

Winona!  
Oh, sing it now!  
Winona!  
What's her name? Oh  
Winona!  
My little baby...  
Winona!  
She's a bad, bad girl

W-w-w-w-w-w-Winona pretty baby
