Got a gang a' gang a' girls and we're going going Ham  
Boppin through this bitch like I'm the man  
And I said good got damn we're going, going, going ham  
Good got damn we're going, going, going ham  
Going Ham, Going Ham, Going Ham  
Going Ham, Going Ham, Going Ham  
Going Ham

Got that old money flow, that Anna Nicole  
Just hopped out a cake, bitch I'm Marilyn Monroe  
Co Co Loco, by the end of the night  
Splash that venom with sprite  
Yea, that's that shit that we like  
This that Audrey Hepburn Hollywood left turn  
Smashing on them bunnies that be rollin with Heffner  
Mmm, my intern you wanna be my intern, bitch you my intern

Got that cake on my plate  
Grape in my drank  
Your chick in my face  
Bitch I'm Benjamin J  
Old coop new money ice cream blue bunny  
I'm addicted to hundreds, under fifty is funny  
I do this, super chill no Buddhist  
Laid back I'm strapped top way back like Otis  
I'm with a gang of girls say they down like the flow is  
So you already know it you should blow this

Strippers love to dance, yea I love to watch

This that Audrey Hepburn Hollywood left turn  
Smashing on them bunnies that be rollin with Heffner  
Mmm, my intern you wanna be my intern, bitch you my intern
