

I Can't Live Without You

Colin Blunstone

I just had to tell you
I can't live without you
Don't know what it is about you
But I can't live without you

And even if I say I'm leaving you
You must know I'm Lying
For I can't live without you
Without you I'm dying

Stay with me until you have to stay
But the door will always open wide
Come sit and talk and tell me how
If you try I'll understand
Trust in me and you will make me
Only you have the power
For in the final hour
I can't live without you

Stay with me until you have to stay
But the door will always open wide
Come sit and talk and tell me how
If you try I'll understand
Trust in me and you will make me
Only you have the power
For in the final hour
I can't live without you
