

The Ghost Of You And Me

Colin Blunstone

What am I supposed to do with all these blues
Haunting me everywhere, no matter what I do
Watching the candle flicker out in the evening glow
I can't let go, when will this night be over?

I didn't mean to fall in love with you
And, baby, there's a name for all the things you do
It isn't love, it's robbery
I'm sleeping with the ghost of you and me.

The ghost of you and me.

I've seen a lot of broken hearts go sailing by
Phantom ships lost at sea and one of them is mine
Raising my glass I sing a toast to the midnight sky
I wonder why the stars don't seem to guide me.

I didn't mean to fall in love with you
And, baby, there's a name for all the things you do
It isn't love it's robbery
I'm sleeping with the ghost of you and me.

The ghost of you and me
When will it set me free?
I hear the voices call
Following footsteps down the hall
Trying to save what's left of my heart and soul.

Watching the candle flicker out
In the evening glow I can't let go
When will this night be over?

I didn't mean to fall in love with you
And, baby, there's a name for all the things you do
It isn't love, it's robbery
I'm sleeping with the ghost of you and me.

I didn't mean to fall in love with you
And, baby, there's a name for all the things you do
It isn't love, it's robbery
I'm sleeping with the ghost of you and me.

The ghost of you and me.
