

Don't Be Afraid

Colin Hay

Don't be Afraid
Tomorrow may never come
Don't hesitate
I'll catch you if you fall

One day you'll leave me
This thing I know
But while you still hear me
I'll watch as you grow

Don't be afraid
Tomorrow may never come
Young hearts can break
But old hearts they bend in the breeze

Don't be Afraid
Tomorrow may never come
Don't hesitate
I'll catch you if you fall

You don't believe me
You're too young to know
But when you get up and leave me
I won't watch you go

Oh no, no
Don't be afraid
Tomorrow may never come
Don't sleep in late
Tomorrow is not Saturday
