

## Ain't Long for Day

Colin James

Wake up mama, don't you sleep so hard  
Wake up mama, honey don't you sleep so hard  
It's the same old blues walkin' all over your yard

I've got these blues, I'm not satisfied  
I've got these blues, I'm just not satisfied  
And that's the reason why I stroll away and cry

Grabbed me in midnight, they didn't turn me loose till day  
Grabbed me in midnight, didn't turn me loose till day  
I didn't have no woman to help me drive these blues away

Big star's fallin' mama, 't ain't long fo' day  
Big star's fallin' mama, 't ain't long fo' day  
Oh come on sunshine and drive these blues away
