Black Night

Colin James

Nobody cares about me
I ain't even got a friend
Baby's gone and left me
When will my troubles end?

Black night is fallen
Gee how I hate to be alone
I keep crying for my baby
Now another day is gone

Got no one to talk to
Tell my troubles to
Don't even know I'm a living
Since the day that I lost you

Black night is fallen
Gee how I hate to be alone
I keep crying for my baby
And now another day is gone

My mother has a trouble
And my father had it too
Brothers in the army
And I don't know what to do

Cause black night is fallen
Gee how I hate to be alone
I keep crying for my baby
And now another day is gone
