

Bring It On Home

Colin James

Baby

Baby

I'm gonna bring it on home

I'm gonna bring it on home

I'm gonna bring it on home

I'm gonna bring it on home

Well I got my ticket and I got on board

Yeah got that he hollered, all aboard

Well I got my seat, a way, way back

Watch the train going down the track

Baby

Baby

I'm gonna bring it on home

I'm gonna bring it on home

I'm gonna bring it on home

I'm gonna bring it on home to you

When I think about the good times that we have had

You feel so good you know my heart got bad

Well I'm so glad that I had you

It's your life, I'm in love with you

Baby

Baby, all right

I'm gonna bring it on home

I'm gotta on home

I'm gotta it on home

Well I'm gotta it on home to you

Yeah

Baby

Baby

I'm gonna bring it on home

I'm gonna bring it on home

I got to bring it on home

I'm gonna bring it on home

Yeah I'm home
