

## Give It Up

Colin James

Sing it baby  
Now this is how I heard the story, found out [?] go something a  
bout you  
You came here, I held you tight, suddenly I left you  
Don't know how it happened, how I fell for me  
Into a [?] our love is gone  
Begging on my knees

Give it up  
Give me all the loving you got  
Give it to me baby while it's still hot  
Come on baby give it give it up

Now I maybe wrong but you said everything you told me was true  
Now I became to play the game, knew it was old to you  
Don't know it makes me different, change in every way  
If you leave, I'll never find me another baby

Give it up  
Give me all the loving you got  
Give it to me honey while it's still hot  
Come on baby give it give it up

Give it up

I don't know if I'll ever, ever be the same  
But I got nobody but myself, baby

Give it up, give it up  
Give me all the loving you got  
Give it to me while it's still hot  
Come on baby give it give it up

Give it up, give it up  
Give me all the loving you got  
Give it to me honey while it's still hot  
Come on baby give it give it up
