Jumpin' from Six to Six

Colin James

Hey my baby went out and stayed out all night long
Yeah my baby went out and stayed out all night long
She told me her ride was way better back home
Well she was

Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Gotten herself in heck of a fix

Now she called me up about five twenty five
Said picked me up daddy I don't want no jive
Ten minutes later her boyfriend calls
Come on baby let's have a ball

Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Gotten herself in heck of a fix

Well, my baby went out and stayed out all night long
Well, my baby went out and stayed out all night long
She told me her ride was way better back home
Well she was

Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Gotten herself in heck of a fix

Staggered in the door by a quarter to one
Asked me daddy did I do wrong
Stepped aside and jolted her back
Hit her right in the eye

Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Jumpin' from six to six
Gotten herself in heck of a fix
