

# Know How To Love You

Colin James

sometimes it takes a little more than luck  
sometimes it takes a piece right a you  
and when you think that youve seen enough  
you realize that your breaking all through  
sometimes the deeper you go  
brings you closer to the lighter day

let me love you  
let me love you  
i dont wanna talk about it  
I dont wanna talk any more  
let me feel you  
let me feel you  
I'm starting to know how  
how to love you

does it make any more sense  
do i ever get to close the book  
i get so tired of paying the rent  
and sing these same old blues  
and try not to think so much  
i really should let it be

let me love you  
let me love you  
i dont wanna talk about it  
I dont wanna talk any more  
let me feel you  
let me feel you  
I'm starting to know how  
how to love you

let me love you  
let me love you  
i dont wanna talk about it  
I dont wanna talk any more  
let me feel you  
let me feel you  
I'm starting to know how  
how to love you  
I'm starting to know how

how to love you
