

Lone Wolf

Colin James

I'm a lone wolf
Can't you hear me howl
I'm a lone wolf
Can't you hear me howl
I'm a lone wolf babe
Tonight I'm on the prowl

When I howl you can hear for miles around
When I howl you can hear for miles around
You better watch out tonight the wolf's in town
When you hear me howling, I'm not howling at the moon
I'm crying for some loving and I better get some soon

I'm a lone wolf
Can't you hear me howl
I'm a lone wolf baby
Tonight I'm on the prowl

I'm a lone wolf and I just can't sleep at night
I'm a lone wolf and I just can't sleep at night

Well I'm a real gone dog with a [?] at the tight
Well I'm gonna where she's at
I'm gonna pick her up where she walks at
To the east and on to the west
And I won't settle for second best

I'm a lone wolf
Can't you hear me howl
When you hear me howling
I'm not howling at the moon
[?] of some lovin' and I better get some soon

I'm a lone wolf
Can't you hear me howl
I'm a lone wolf babe and tonight I'm on the prowl
I'm a lone wolf babe and tonight I'm on the prowl

Gone dog
