Well now, ooh Mary Anne, you know you sure like fine
Well now, ooh Mary Anne, you know you sure like fine
Well now, ooh Mary Anne, I could love you all the time

Well now, ooh Mary Anne, I said baby don't you know
Well now, ooh Mary Anne, don't you know, don't you know
Know that I love you, that I love you so

Well now, ooh Mary Anne, yeah, take it easy

Well now, ooh Mary Anne, can I take you home tonight
Well now, ooh Mary Anne, can I take you home tonight
If you love me baby, make everything alright

Well now, ooh Mary Anne, yeah baby, know that I love you
Well I've got a feeling
