

Ooh Baby Hold Me

Colin James

When ya squeeze me babe
You make me holler whoa whoa whoa
When ya squeeze me babe
You make me holler whoa whoa whoa

That gets my mind
What are ya trying to do to me?

You're a good looking woman
Just as sweet as you can be
You're a good looking woman
Just as sweet as you can be

Ya mess with my mind
What are ya trying to do to me?

When ya squeeze me babe
You make me holler whoa whoa whoa
When ya squeeze me babe
You make me holler whoa whoa whoa

That gets my mind
What are ya trying to do to me?

You're a good looking woman
Just as sweet as you can be
You're a good looking woman
Just as sweet as you can be

Ya mess with my mind
What are ya trying to do to me?
