

## Please Come Home For Christmas

Colin James

Bells will be ringing this sad sad New Years  
Oh, what a Christmas to have the blues  
My baby's gone, I have no friends  
To wish me greetings once again

Cries will be singing Silent Night  
Christmas carols by candlelight  
Please come home for Christmas  
Please come home for Christmas

If not for Christmas, by New Years night  
Friends and relations send salutations  
Sure as the stars shine above  
But this is Christmas, yes, Christmas, my dear

The time of year to be with the ones you love  
So won't you tell me you'll never more roam?  
Christmas and New Years will find you home  
There'll be no more sorrow no grief and pain

And I'll be happy, happy once again  
Oh, there'll be no more sorrow, no grief and pain  
And I'll be happy, Christmas once again
