Please Come Home For Christmas

Colin James

Bells will be ringing this sad sad New Years Oh, what a Christmas to have the blues My baby's gone, I have no friends
To wish me greetings once again

Cries will be singing Silent Night Christmas carols by candlelight Please come home for Christmas Please come home for Christmas

If not for Christmas, by New Years night Friends and relations send salutations Sure as the stars shine above But this is Christmas, yes, Christmas, my dear

The time of year to be with the ones you love So won't you tell me you'll never more roam? Christmas and New Years will find you home There'll be no more sorrow no grief and pain

And I'll be happy, happy once again
Oh, there'll be no more sorrow, no grief and pain
And I'll be happy, Christmas once again
