

## Raging River

Colin James

Time rolls by like a raging river  
The days rush on around the bend  
If you jump in and try to save them  
You may never come back again

One night I walked by the raging river  
I heard a voice, but I saw no one  
She cried "Glory, Glory Hallelujah"  
I will carry your burden home

Raging river  
Even fire can't burn you down  
Raging river  
Cries don't sleep so sound

I stood on the edge of a raging river  
Saw your reflection staring back at me  
I reached out and tried to touch you  
Raging river rolled out to sea
