

Soul of a Man

Colin James

Won't somebody tell me?
Answer if you can
Won't somebody tell me,
What is a soul of a man?

I'm gonna ask the question
Answer if you can
Is anybody here gunna tell me,
What is a soul of a man?
Just what is a soul of a man?
Tell me what's a soul of a man?

I travelled in different countries
I've been in foreign lands
I've found nobody to tell me
What is a soul of a man?

I saw a crowd stand talking
I came up right on time
But here in the doctors and lawyers
Babe, a man ain't nothing but his mind
A man ain't nothing but his mind

I never read the bible
You know I was raised up right
As far as I can understand
A man ain't nothing but his mind
A man is nothing more than his mind

As He stood in the temple
People stood amazed
Sure when the doctors and lawyers
Had to raise a body from the grave
Just how to raise a body from the grave

I'm gonna ask the question
Answer if you can
Won't anybody here gunna tell me,
What is a soul of a man?
Just what is a soul of a man?
Tell me what's a soul of a man?
