## That's Where It's At

**Colin James** 

Eyes turned away I know And music soft and slow With someone you love so That's where it's at

Yeah, your world turned upside down You're making not a sound No one else around That's where it's at

Yeah, let me tell you Your heart beatin' fast You're knowin' that time won't last But a hopin' that it lasts That's where it's at, oh yeah

That's where it's at, pretty baby That's where it's at, oh yes, it is That's where it's at, pretty baby That's where it's at, oh yeah and oh yeah

Let me tell you just one thing To say it's time to go And she says, "Yes, I know" But just stay one minute more That's where it's at

Oh, let me say it one more time That's where it's at, pretty baby That's where it's at, I know that's where it's at That's where it's at, pretty baby That's where it's at
