Collective Soul

Em **G**
Who's gonna be my savior
C **Am**
Now that I've learned to believe
Em **G**
Who's gonna be the answer
C **Am**
To all of my questioning

D
Well I hope I'm not lost
C
But I think that hope is now distancing
D
And the words that secure a cause
C
Are now faint whisperings

G7
Who's gonna wear my crown
Dm
Who's gonna wear my crown
Em
I don't know
C
I just might alone
G7
Who's gonna wear my crown
Dm
Who's gonna wear my crown
Em
I don't know
C
I've just got to go my way

Em **G**
Who's gonna be my partner
C **Am**
Now that I stand here alone
Em **G**
Who's gonna be the shepherd
C **Am**
To lead this poor boy back home

D
Well I hope I'm not lost
C
But I think that hope is now distancing
D
And the words that secure a cause
C
Are just faint whisperings

G7
Who's gonna wear my crown

Who's gonna wear my crown
