

## Forgiveness

Collective Soul

In my silence I would love to forget  
But restitution hasn't come quite yet  
And with one accord I keep pushing forth  
I stretch my heart to heal some more

It used to be all I'd want to learn  
Was wisdom trust and truth  
But now all I really want to learn  
Is forgiveness for you

As my seasons change I've now grown to know  
When one's heart creates, one's soul doesn't owe  
So I wash away stains of yesterday  
Then tempt my heart with love's display
