In Between

Collective Soul

```
G          C              Am7              C
In between us          Good and Evil wait
To lie beside us       In our bed we make
In between us          Caution never heeds
We prey on weakness    Then beg for sympathy
```

```
Chorus:
// The chorus is basically a moving baseline over a G
// The baseline basically moves like:  G B C B A G A G
```

```
In between words
Silence parades so confusion is heard
Our voices afraid      To speak up and reassure
So in between words we remain
In between
```

```
G C Am7 C (x2)
```

```
G          C              Am7              C
In between us          Hope we've yet to see
We long for healings   But the scars never leave
```

```
Chorus
```

```
D                      Em                 C
Silence fills the void   Of love and hate
An effective tool        When used to Seperate
```

```
G C Am7 C (x2)
Now seperate
```

```
Chorus (x2)
```
