

## Not The Same

Collective Soul

Yeah, my world glistens  
Yeah, my world beams bright  
All my world is missing is you tonight

It's not the same in California  
It's not the same in old St. Lou  
It's not the same wherever I stumble  
Without you, oh, it's not the same

Yeah, my scene is quiet  
Can you dig my scene?  
All my scene is missing is your company

It's not the same in Arizona  
It's not the same in Baton Rouge  
It's not the same wherever I stumble  
Without you, oh, it's not the same

It's not the same in Carolina  
It's not the same in Kalamazoo  
It's not the same wherever I stumble  
Without you

It's not the same in California  
It's not the same in ol' St. Lou  
It's not the same wherever I stumble  
Without you, oh, it's not the same

It's not the same  
It's not the same  
It's not the same

Not the same without you  
Not the same without you  
Not the same without you  
Not the same without you
