

Strange Theme

Collegium Musicum

Sometimes it seems to me
Things move too slowly
Is there no answer
Or I cannot hear
Sometimes it seems to me
Things move too slowly
Nothing is near

Tell me the reason why
Things move so slowly
Give me answer
Speak loud I want hear
Tell me the reason why
Things move so slowly
Don't disappear

Something is fading
And I can not see it
Add times are coming
They're lost in the haze
A good thing is fading
And I cannot hold it
Somethong will come
And I can't touch my face

Something it seems to me
Things move too slowly
Nothing is near
Nothing is real
Don't disappear
