

Intruder

Collide

Everywhere you turn
Everywhere you go
Lessons to be learned

All your twists and turns
Are you paying attention?
Are you just the passenger?

I'm feeling weak
In a sudden swing of emotion
Maybe I, I'm feeling weak

Everywhere you turn
Lessons to be be learned
Everywhere you go
It seems so easy
Yet oh so difficult
At the same time

Everywhere you turn
Lessons to be learned

I'm feeling weak
When will we we learn

I'm feeling weak
In a sudden swing of emotion
I may be lost, I may be lost
In a sudden swing of emotion
Maybe I, I'm feeling weak
In a sudden swing of emotions
Maybe I, I'm feeling weak

Shut up, shut up, shup to the intruder
Shut up, shut up, shut up until it's over
Shut up, shut up, shut up
Shut up, shut up, shut up
